

Spanish Store Project

You are going to create your own store in groups of 3 or less. You will have time in class, but if you do not finish, must complete at home. You will create a poster to advertise your store. You better have some good **gangas** (bargains)!

Poster

You will create a poster to advertise your store. Your poster must include:

10 points -

The name of the store in Spanish

10 points -

Store address which must be located in Spain with correct Spanish format.

40 points -

10 featured items (must include a picture/drawing, price, and complete sentence for each)
You must write your price in Euros (Spain). Use a currency converter to change from dollars to Euros. (<http://www.xe.com/ucc/>) Be careful: in Spain they use a comma (,) instead of a decimal point (.) between dollars and cents. (ej: 1,50 € o 50,00€)

10 points -

Store hours (ejemplo: **abierto** (open): lunes a sábado de las nueve de la mañana hasta (until) las seis de la tarde.)

5 points -

Discounts available.

10 points -

Names of store owners (group members).

15 points -

Creativity and Time Management

Total = 100 points
