

# Travel Brochure Project

## Your Mission:

Create a travel brochure for a large city in the Spanish speaking world. You may wish to search keywords like ciudades latinoamericanas, ciudades España, cities Spain, Mexico City, Madrid and Buenos Aires.

### Include the following information:

- Facts about the city (population, etc.)
- When to go (best time of the year)
- How to get around (transportation to/from and while you are there)
- At least four places of interest (landmarks, attractions, etc.)
- Historic information about that city
- At least four illustrations with color or photographs
- Information on the currency used
- Any other pertinent information for a traveler to that city (immunizations required, etc.)

You may work **independently or in groups of up to three people.**

Include your names on your brochure. The brochure must be a **six panel spread**. This means it needs to be a sheet of paper turned on its side and folded twice evenly creating three “panels” on each side. Make it look professional.
