

Diversity Laws

Directions:

1. Using the Internet, library or any other available resources, research how laws and legislations have promoted diversity in the United States since the 1960s.
2. Write a 1,000 word report discussing your findings.
3. Make sure to include the following:
 - The important diversity laws since the 1960s
 - The name and the year of each law
 - What these laws tried to achieve
 - What are some outcomes of these laws
 - Explain the before and after situation using statistics
4. Create and attach a citation sheet listing all sources used to your report.
