	A law granting authors and creators of original works the exclusive privilege to reproduce, distribute, perform, display or sell their work.
	Limited use of copyrighted works, without the permission of the owner, is allowed for criticism and commentary, parody, news reporting, research and classroom instruction.
	Original creative work, in a tangible form, that can be legally protected by a patent, trademark, or copyright.
	A design used by an organization on its letterhead, advertising material, and signs as an emblem by which the organization can easily be recognized.
	Legal document granted by the government, giving an inventor the exclusive right to make, use, and sell an invention for a specified number of years.
	A symbol, such as a word, number, picture, or design, used by manufacturers or merchants to identify their products and distinguish them from others.
	The use of your own words to tell what you have read, heard, or seen.
	To take and use the thoughts, writings, inventions, or creative works of another person and use them as your own.
	Citing of sources used when doing research, usually in the form of a bibliography.
	Works that are not copyrighted and may be used without permission.
