

What Does Responsible Look Like?

Directions:

1. Using the information from the presentation, brainstorm and create a list of at least five behaviors you believe would be considered responsible in the workplace.
2. Also, create a list of at least five behaviors you feel would be considered irresponsible in the workplace.
3. For each behavior listed, provide a detailed example/scenario to detail what makes the behavior either responsible or irresponsible.
4. Participate in a class discussion to share your list with the class.
