

Mergers & Acquisitions

Directions:

Analyze a merger or acquisition which has occurred and develop a fact sheet detailing the circumstances.

1. Identify a merger or acquisition which has occurred in the past 20 years.
2. Develop a fact sheet about the merger or acquisition which details at least the following:
 - Identify the type of merger or acquisition which occurred
 - Explain the reasoning between the two companies combining
 - Discuss any issues which arose due to the merger or acquisition
 - Explain how the companies were restructured
 - Evaluate the merger or acquisition
 - Identify other potential targets for the company to acquire or merge with
