The screenshot shows a presentation slide titled "Smart Car Buying: Your Guide to Making a Wise Purchase". The slide is dark-themed with white text. The title is at the top, followed by a large empty area for content. On the left, there is a vertical navigation bar with numbered steps from 1 to 7, each with a thumbnail image and a brief description. Step 1: "Smart Car Buying: Your Guide to Making a Wise Purchase". Step 2: "Understand the Car Buying Process". Step 3: "Assess Your Needs". Step 4: "Set Your Budget". Step 5: "New vs. Used Cars". Step 6: "Research Different Models". Step 7: "Finalize Your Purchase". The top of the screen shows a presentation interface with a toolbar, a preview area, and a timeline at the bottom.

Download and adjust as needed.
